Dear Mr Latimer

**Information Request No: NC08-481 - Bathing Water Sample, 15 June 2007**

Thank you for your recent request for information, received in this office on 18 August 2008. The sample that was taken on the 15th June 2007 was delayed on its journey by courier to the laboratory. Samples must be analysed within 24 hours from the time they are taken and due to its late arrival this sample had to be discarded. Once we received notification that this sample had been discarded, a replacement sample was programmed in for the following day. Please find attached a copy of the results from the replacement sample taken on 19th June 2007.

I trust this answers your enquiry.

Yours sincerely

**PAULA BUCHAN**
