Bradwell Site, Magnox Limited : Environmental Permit Application to discharge liquid wastes from Fuel Element Debris (FED) Dissolution (dissolving in nitric acid) : reference PR2TSE10760/V003 and EPR/DP3217XB/V002.

Dear Sir James,

We wrote to you on 2nd February 2016 concerning the above matter. The letter went by post, recorded delivery.

Given the history of our bringing this matter to the attention of the senior officers of the Environment Agency, ref. our letter of 2nd February copy enclosed, I would be grateful if you would confirm receipt of our letter of 2nd February. I advise that no confirmation has been received to date.

Yours sincerely

S. D. Eades

cc. David Levy, Marinet Chairman.
