Dear Mr Eades,

Marine Aggregate Regional Environmental Assessment (MAREA) for the Anglian Offshore Region

Many thanks for your letter dated the 17th June 2010. Apologies for the delay in response, I have been away on leave for several weeks.

I appreciate the distance between Wiltshire and East Anglia will create difficulties in your attendance at the face to face meetings with Pat Gowen. Please be assured that both your letter and the outcomes from the meeting with Mr Gowen will be presented to AODA. I am also happy to provide minutes of the proposed meeting with Mr Gowen to yourself if you would like.

Yours sincerely,

A handwritten signature in black ink that reads 'Justina Southworth'.
